(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations.)

§ 18420.5. Combined Campaign Reports.

(a) Combined Campaign Report. Pursuant to Section 84205, the Commission may permit, upon request or on their own initiative, candidates and committees to file a combined campaign report when doing so would not reduce or delay the disclosure of required campaign information.

(b) Filing Schedule for a Combined Campaign Report. When the Commission permits candidates and committees to file a combined campaign report pursuant to subdivision (a), the Commission shall issue a filing schedule stating the reporting periods and associated due dates.

(c) Filing a Combined Campaign Report. Candidates and committees required to file semi-annual and preelection campaign reports, as described in Sections 84200 and 84200.5, are permitted to file a combined campaign report, in lieu of separate reports, when filing pursuant to a Commission-issued filing schedule.

(d) Posting. The Commission will post, on the Commission website, each filing schedule created pursuant to this regulation.

(e) Notice. The Commission will provide notice and a courtesy copy of a filing schedule for a combined campaign report to the filing officer with whom the relevant candidates and committees are required to file their original campaign report. Failure to provide notice or a courtesy copy to a filing officer does not affect a candidate or committee filing pursuant to a Commission-issued filing schedule.

(f) Delegation. The authority to permit the filing of a combined campaign report, as discussed in subdivision (a), and to issue a filing schedule, as discussed in subdivision (b), is delegated to the Commission's Executive Director.

(g) Other Filing Obligations. Except as provided in subdivision (c), candidates and committees are subject to all other applicable reporting requirements set out in the Act and its regulations.
