TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission (the Commission), under the authority vested in it under the Political Reform Act (the Act)¹ by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The Commission will consider the proposed regulation at a public hearing on or after **September 17, 2026**, at the offices of the Fair Political Practices Commission, 1102 Q Street, Suite 3050, Sacramento, California, commencing at approximately **10:00 a.m.** Written comments should be received at the Commission offices no later than **5:00 p.m.** on **September 15, 2026**.

BACKGROUND/OVERVIEW:

In 2020, the Commission adopted Regulation 18723.1 to provide guidance on how officials with multiple positions subject to reporting requirements under the Act² may file an Expanded Statement of Economic Interests (“Expanded Statement”) disclosing all reportable interests for all jurisdictions in which they serve and listing all positions for which it is filed instead of separate Statements of Economic Interests (“SEIs”) for each position. The regulation provides that “statewide elected officers” need only file an SEI for their elected office.

REGULATORY ACTION: Adopt 2 Cal. Code Regs. Section 18723.1.

Staff proposes the adoption of Regulation 18723.1 to update the guidelines on filing SEIs for officials with multiple positions. The proposed amendments include, but are not limited to, language clarifying that persons who file a SEI pursuant to Section 87200 do not need to list positions designated on an agency’s Conflict of Interest Code (“Code”) on their Expanded Statements when the geographical jurisdiction of the Code agency is the same or is wholly included within the jurisdiction of the Section 87200 agency, allowing “elected state officers” to only file a SEI for their state elected office, and clarifying which agencies Expanded Statements must be filed with and how. It is anticipated that the Commission will also consider whether to include amendments to allow an official with a Section 87200 position, and a Code-designated position of an agency with a geographical jurisdiction broader than the jurisdiction of the Section 87200 agency, to only file the Expanded Statement with the Commission instead of both the Commission and the Code agency.
