Appointments – Form 806

Do your agency members receive \$250 or more to serve on **other** boards or commissions? Click [Form 806](#) for more information.

New Positions – Form 804

Regulation 18734 requires an individual hired for a position not yet covered under your agency's conflict of interest code to file Form 700 if the individual serves in a position that makes or participates in making governmental decisions.

Form 804 helps agencies identify new positions and disclosure requirements for individuals serving in new positions. It is recommended that agencies use it as it promotes uniform reporting. [Form 804](#) is retained at your agency.

Example: *Your agency recently hired an IT Specialist. This is a brand-new position and, thus, is not yet included in your agency's conflict of interest code. Because this individual will make decisions on purchasing computer software, the position must be added to the code. In the meantime, this person will file Form 700 under the broadest disclosure category (or limited disclosure if provided for on Form 804) until the code is amended to include this position.*

Consultants - Form 805

State and local government agencies may use the new Form 805 to identify consultants who will make or participate in making governmental decisions on behalf of the agency. Form 805 identifies the disclosure requirements for individuals serving in these positions and is retained at your office. For more information, refer to the FPPC website and Regulations 18700.3 and 18734.

Form 802

FPPC Regulation [18944.1](#) sets out the circumstances under which an agency's distribution of tickets to entertainment events, sporting events, and like occasions would not result in a gift to individuals who attend the function. In general, the agency must adopt a policy that identifies the public purpose served in distributing the admissions. Form 802 serves to detail each event and the public purpose of each ticket distribution.
